FRANCIS GRADY, by: Thomas E. Phillip

Attorney Phillip provides the Court and AUSA Roach with a copy of the state's competency evaluation report. The report concludes that the defendant is competent and strongly recommends the defendant remain medicated. Attorney Phillip requests a competency hearing be set or a competency and sentencing hearing be set as he has not made a decision as to its position on the report.

The government states its preference is to have separate competency and sentencing hearings to allow notification to victims.

Attorney Phillip states that Mr. Grady has several hearings scheduled in December and January in state court.

The Court schedules a competency hearing for January 11, 2013 at 10:30 a.m.
